

**Provision of Services for  
the Operation and Management of the kNOw Carbon House**

**Supplementary Information**

According to clause 3.9.17 of Appendix 2 - Service Specifications, “*the Operator shall be responsible for providing, operating and maintaining the two (2) security systems installed at the House, including a CCTV surveillance system and a burglar alarm system, throughout the entire Contract Period to ensure the security and safety of all zones at the House, irrespective of whether the existing services provider or a new services provider will be employed.*”

In response to the enquiry raised at the Tender Briefing held on 20 June 2024, the supplementary information of the existing two security systems at the kNOw Carbon House is provided below for the tenderers’ reference for completing Part A 1(f) "Others and Miscellaneous" of the Price Proposal at Annex A.

System	Contract End Month	Monthly Fee
Burglar Alarm System (ADT Alarm Monitoring HK Limited)	July 2025	\$463
CCTV System (ADT Hong Kong Limited)	May 2024	\$667
