8. The Bidder should note the following before submitting a proposal:
- 8.1. The proposal of the Bidder shall remain valid and open for acceptance on these terms for not less than 90 days after the tender closing date. If a proposal is withdrawn before the expiry of the agreed validity period, due notice will be taken of such withdrawal which may prejudice the Bidder's future standing as a service provided or supplier to the ECC.
- 8.2. In the preparation of the proposal, the Bidder should take into consideration the scope of service, terms and conditions governing the execution of Services in the **Specifications of Services**. By virtue of the Bidder's submission of a proposal, the Bidder is deemed to have accepted such scope, terms and conditions, irrespective of whether or not the Bidder has expressly given its agreement in writing.

- 8.7. Clarifications, where necessary, may be carried out with individual Bidders if the proposal contains points of doubt. Replies from the Bidder, if acceptable to the ECC Representative, will be included as part of the Bidder's proposal.
- 8.8. The provisions of Sub-Clause 8.7 are merely a means for the ECC Representative to obtain supplementary information from the Bidders to remove ambiguities in the proposal. The Bidder from whom clarification is sought does not have an advantage over the other Bidders from whom clarification is not required, and vice versa. Variations of offer by the Bidder during the course of a clarification are not acceptable.
- 8.9. The Bidders who do not receive an invitation for signing a contract within the proposal's validity period may assume that the proposal has not been successful. Documents of the unsuccessful proposal will be destroyed within **four** months from the date the validity of the proposal expires.
- 8.10. The ECC Representative reserves the right not to consider any proposal and is not under any obligation to give a reason for so doing. A proposal need not be considered if it does not comply with the instructions and conditions set out in this invitation exercise, or if any information provided by the Bidder, whether in the proposal or not, is not sufficient for the ECC to carry out a tender evaluation.
- 8.11. The ECC Representative is not under any obligation to consider a proposal if a claim is received by the ECC Representative alleging, or the ECC Representative having grounds to believe, that the services, deliverables or products to be supplied by the Bidder in relation to the Services are infringing the copyrights or have otherwise infringed the intellectual property rights in the service, deliverables or product of a third party.
- 8.12. The ECC Representative shall not bear any cost incurred in relation to or incidental to the Bidder's submission of a proposal, the Bidder's participation in the selection process such as presenting its proposal in front of a selection panel if invited by the ECC Representative, and any associated preparatory work or travel that the Bidder may undertake on its own accord.

- 8.13. The Bidder should inform the ECC Representative in writing **within two calendar days with full explanation** for any change which occurs after the submission of a proposal and which might affect the proposal or the Bidder's ability to fully or partly provide the services as proposed. The ECC Representative reserves the right to re-evaluate the entire proposal in the light of the new information.
- 8.14. Upon request by the ECC Representative whilst the Bidder's proposal remains valid, the Bidder shall provide the latest audited accounts or unaudited accounts as appropriate for checking within 14 calendar days from the date of such request. Failure to provide the accounts within the stipulated time will render the proposal null and void.
- 8.15. If the Bidder is appointed to provide all or part of the services specified in the **Specifications of Services**, the Bidder's subsequent performance in executing the services will be monitored and may be taken into consideration when the Bidder's future tenders, quotations, service proposals and the like are evaluated by the ECC.
- 8.16. The ECC reserves the right not to invite any of the Bidders to enter into a contract, written or otherwise, for the provision of all or any of the services specified in the **Specifications of Services**.
- 8.17. The Bidder's proposal submitted by joint venture will **NOT** be accepted.
- 8.18. All proposals, information and responses from the Bidder must be submitted in writing. The Tender Documents and all proposals, information and responses submitted by the successful Bidder may be incorporated into and made a part of Contract between the ECC and such Bidder. Bidder should not submit any information or materials which it does not wish to be incorporated into the Contract. The ECC reserves the right to disqualify any Bidder who submits a proposal that directly or indirectly attempts to exclude or restrict the effect of this requirement.
- 8.19. Notwithstanding anything to the contrary in the Tender Documents, the ECC reserves the right to disqualify a Bidder on the grounds that the Bidder has engaged, is engaging, or is reasonably believed to have engaged or be engaging in acts or activities that are likely to cause or constitute the occurrence of offences endangering national security or otherwise the exclusion is necessary in the interest of national security, or is necessary to protect the public interest of Hong Kong, public morals, public order or public safety.
9. The Bidder shall comply with the anti-collusion requirement and confirm that such has been complied with. Details of the anti-collusion requirement are as follows:
- 9.1. The Bidder shall not communicate to any person other than ECC Representative the amount of any bid/tender, adjust the amount of any bid/tender by arrangement with any other person, make any arrangement with any other person about whether or not the Bidder or that other person should or should not bid/tender or otherwise collude with any other person in any manner whatsoever in the bidding process until the Bidder is notified by the ECC Representative of the outcome of the bid exercise. Any breach of or non-compliance with this Sub-clause by the Bidder shall, without affecting the Bidder's liability for such breach of rules and laws or non-compliance, invalidate the Bidder's submission.

- 9.2. Sub-clause 9.1 shall have no application to the Bidder's communications in strict confidence with the Bidder's own insurers or brokers to obtain an insurance quotation for computation of service cost and communications in strict confidence with the Bidder's consultants/sub-contractors to solicit their assistance in the preparation of the submission of a proposal.
10. Without prejudice to the ECC's right to cancel the invitation, where there are changes of requirement after the closing date for operational or whatever reasons, the ECC is not bound to accept any conforming offer and reserves the right to cancel the invitation. The ECC also reserves the right not to engage any Bidder or to engage one or more Bidder(s) as its Contractor for the provision of the Services.
11. The Bidder's proposed monthly wage for each personnel shall be the same as the mandatory wage (i.e. \$31,000 for Project Officer and \$22,595 for Project Coordinator), which corresponds to calendar days for each concerned month and 44 hours gross per week. If the proposed monthly wage offered by the Bidder for each personnel is lower than the mandatory wage, its offer will not be considered.
12. Should the ECC require any amendments, clarifications or adjustments to be made to the Tender Documents for the purpose of tender exercise, the ECC will issue to every prospective Bidder numbered addenda giving full details of such amendments. These addenda if comprising an amendment, clarification or adjustment to any provisions of the Contract, shall form a part of the Contract and shall take priority over the documents previously issued.
13. Award of Contract
- 13.1 In this tender exercise, the ECC will award **TWO (2)** Contracts, with each Contract being awarded to a different Bidder, which the ECC has determined to be capable of fulfilling the terms of the Contract and complies with the specification requirements in **Clause 3** above.
- 13.2 The Total Amount in **Schedule 1 of Annex A – Price Proposal** quoted by the Bidder will be used for price assessment. The **TWO (2)** lowest conforming offers, with each Contract being awarded to a different Bidder, will normally be recommended for acceptance. However, the ECC is not bound to accept any offer. Any prompt payment discount quoted by the Bidder will not be taken into consideration in the price assessment.
- 13.3 In the event that only one (1) conforming offer is received, it is permissible that the only conforming Bidder may be awarded with two (2) Contracts.
