Note 1: The unit price quoted in Part A **will be used** for price assessment, and the total amounts of A1, A2 and A3 will constitute **the total contract value**. The quantities of Goods specified above are estimates given for the Bidders' reference only and are not figures to which the ECC binds itself to adhere. ECC/EPD reserves the right to vary the quantity of Goods as necessary.

Note 2: The unit price quoted in Part B **will not be used** for price assessment. Subject to the approved applications of the Scheme, the Contractor may be required to supply additional FWSBs if the total required quantity of FWSBs exceeds 235 units for both Contract A and Contract B. In such cases, the ECC would pay the Contractor according to the unit price quoted in Part B if any of the Additional Goods are provided throughout the Contract Period. The quantities of Goods specified above are estimates given for the Bidders' reference only and are not figures to which the ECC binds itself to adhere.
